Sanctuary Wealth

Site Survey Deliverables

The following deliverables are required upon completion of the site survey. All items must be submitted before the work order can be marked complete. Please review carefully and ensure nothing is missed.

■ SECTION 1 — DOCUMENTATION

- ■ Survey Form filled out completely
- ■ Notate on floorplan where existing cables are routed
- ■ Number of hours per technician to run all new cables throughout
- ■ List of all materials required (cabling, faceplates, cable covers, etc.)

■ SECTION 2 — PHOTOGRAPHY & VIDEO

- ■ Pictures — Building DMARC
- ■ Pictures — Each office; each community space / desk
- ■ Pictures — Existing IT closet and telecom closet
- ■ Pictures — Existing rack location in suite (with measurements visible)
- ■ Video walkthrough of the entire suite

■■ SECTION 3 — PHOTO STANDARDS (MANDATORY)

- ■ **MAKE SURE PICTURES OF EACH EQUIPMENT ARE CLEAR — FRONT AND BACK**
- ■ **WIDE ANGLE shots of all areas**
- ■ **CORRECTLY LABELED PHOTOS (label each photo with location / item name)**
- ■ **Note any potential issues and recommendations in writing**
